- What budget range have you established for your project?
- Do you plan to work with an interior designer for your project?
- Do you have any inspiration pictures for your project? We suggest looking on Instagram, Pinterest, Houzz and Magazines for ideas.
- What type of appliances are you considering for the new kitchen?
- What do you dislike most about your present kitchen?
- What do you like most about your present kitchen?
- Who will be the primary users of the kitchen?
- Do you want an island, peninsula or breakfast table in your kitchen?
- How many family members do you have? How many would you like to be able to seat?
- Do you cook or bake often? If so, how many people are usually involved in the cooking?
- Do you entertain often?
- Do you have another refrigerator or freezer in the house?
- Do you need storage for anything other than kitchen items (vacuum, brooms, cookbooks, wine, etc.)?
- Do you prefer a single or a double sink?
- Do you have a timeframe for starting this project in mind?
